Consumerion Cunnel-Anold physician Consumerion Current—An old physician retired from active practice, having had placed in his hands by an East India Missionary the formula of a simple Vegetable Remedy, for the speedy and permanent Care of Consumption, Bronchitis, Catarch, Asthma, and all Throat and Long Affections, also a Positive and Reducal Care for Nervous Debility and all Nervous Complaints, after having thoroughly tested its wonderful curative powers in thomsands of cases, feels it his duty to make it known to his suffering fellows. Actuated by this motive, and a conscientional desire to relieve to all who desire it, this recipe, with told directions for presearin and successfully using. Sent by return mail by addressing with stamp, naming this paper.
